MORE THAN A NEWSPAPER --- A COMMUNITY SERVICE

VOL. LIX—No. 45

Grimsby, Ontario, Thursday, May 18th, 1944.

\$2.00 Per Year, \$2.50 In U.S.A., 5c Per Copy

GOOD OLD GRIMSBY

Has Never Failed When Called On

Victory Loan Objective Of \$400,000 Topped by \$32,350—a Remarkable Effort Considering The Season Of The Year.

HAVE HIGH RECORD

Employees Of Every Factory Beat Their Objective — Committee And Salesmen Deserve A Lot Of Credit For Their Energetic Work.

Once again have the citizens of Grimsby and North Grimsby proven their loyalty in no uncertain terms. The Sixth Victory Loan went over the top with a bang.

\$400,000 was the objective and at three o'clock on Saturday afternoon Chairman "Dad" Farrell and Organizer Cecil Horton closed up shop with \$432,350 in the cash box.

The local committee and the salesmen put in a hard three weeks of work, for the citizens were asked for the same amount of money as they were asked for in the Fifth Victory Loan, which was in the fall of the year and a good crop had just been harvested. This was the spring of the year, a totally different situation, but the citizens met it.

The biggest day's sale was May 12th when \$71,800 was subscribed. The smallest day was May 9th when the total dropped to \$10,750. Major Dave Bell was high salesman outside the Bank of Commerce with \$94,600.

Figures for the three weeks' campaign by the salesmen are as follows:—

(Continued on page 8)

Young Violinist Festival Feature

Donald Hawes Is a "Mechanical As Well As A Musical Genius" — Large Crowds Greet Three Performances.

Thursday, Friday and Monday evenings, the fifteenth annual Blossom Time Music Festival of Grimsby and district schools was presented in Trinity Hall.

The festival chorus of 150 school children was assisted by the Grimsby high school choir, the young men's chorus and additional talent and was under the baton of Gordon L. Eaton, director of music in the schools.

The program consisted of piano, violin and vocal solos; choruses from various schools; junior choir numbers; string ensemble, directed by T. Ryson; precision drill by senior high school girls; a pantomime, The Three Little Pigs, by 31 kindergarten pupils; and the final groups of chorus numbers by the massed festival chorus.

An interesting feature was the violin selections by Donald Hawes, North Grimsby, a public school pupil who used a violin made entirely by himself.

In introducing this youngster to the audience, Mr. Eaton said, "He is not only a mechanical genius, but also a musical genius." The entire program was well presented and reflected much credit on the school children and their instructors.

HOSPITAL PLANS ARE APPROVED

E. D. Smith Employees Win Victory Loan Pennant

Capt. Fred Woodcock, of Winona, repatriated Dellepe veteran and former employee of the company, presented a Victory Loan pennant to E. D. Smith & Sons, Winona, signifying that the employees of this firm had gone "over the top." With an objective of \$12,000, total subscriptions reached \$15,000, with 98 per cent. of the employees participating. J. D. Lamont, chairman of the company committee, who accepted the pennant, said they

were particularly proud to have it presented by Capt. Woodcock—one of their own. From the left, those shown are: J. D. Lamont, who has also done a splendid job as chairman of the Saltfleet township campaign committee; Miss Margaret Armstrong, Brig. Armand Smith, M. C., Captain Woodcock, Mrs. Norman Widdows, Grant Thain, principal of Saltfleet high school. In centre background is Sgt. F. S. Woodcock, father of Capt. Woodcock.

Alterations To Commence Soon

Ontario Department of Health Will Use These Plans As a Model For Small Town Hospitals — Has Many Features.

FUNDS STILL NEEDED

Plans Call For An Initial Capacity Of 20 Beds And All Necessary Additional Rooms And Quarters For The Staff.

Final approval of the plans for West Lincoln Memorial Hospital has been given by the Ontario Department of Health and as soon as contractors' figures for the necessary work have been secured the project will be gone rapidly ahead with.

The general plans developed by the Department of Health, Toronto, provide for an initial capacity of 20 beds including 2 private rooms, 4 semi-private, two wards. There is an eight cubical nursery and a full complement of equipment to care for emergency cases, fractures, minor surgery, obstetric, paediatric and general medical cases. Provision is made for more beds when an additional wing becomes necessary.

Under these plans when a new wing is necessary it will not be necessary to alter the main building in any way. Delivery room, operating room, ex-ray room, sterilizing room and other necessary rooms are provided for on the main floor as well as rest rooms and kitchens. The present aqueduct, sloping roof is to be raised at the sides and ends of the building thus providing for plenty of room up.

Over Night Trip To Pacific Coast

Most Excellent Report Made By Councillor Hewitt On Air Transportation Information Gleaned At Convention Of Aeronautical Institute By Grimsby Delegation.

FLY OWN PLANES

Big Wigs In Aviation Field Look Upon Fruit By Air Idea With Much Favor — Now Is Opportune Time To Take Action For The Future.

Early in May Councillors Hewitt, Phelps and Inglehart attended convention of the Aeronautical Institute in Toronto, and an excellent written report of this convention was made to Town Council at their last meeting by Councillor Hewitt. The report in full is presented here for your perusal.

"Councillors Phelps and Inglehart and myself attended this convention and we were certainly treated to some fine speakers on passenger and freight air transportation."

"Most of these talks in the morning were on privately owned planes, and it was explained that in the near future it would be worked out that a man flying his own aeroplane would be able to drop down on a strip of pavement or rather a landing strip beside a gas station and fill his plane up with gasoline and start away again."

"Some of these talks were on the tourists coming into Canada and with his or her plane could certainly visit Niagara Falls in the morning, look around and ask all about the peninsula, and if he liked, he could visit anywhere in the district within a very short while, also if the fruit season is on, he could buy any amount without any trouble getting it home. But if he wanted to see the North country he could get there in a hurry also."

"We talked to several officials on flying matters, and were certainly surprised at the development in the United States."

"Captain Baldwin of the S. F. Bowser Co., one of the largest air-craft companies in the States, told us at the present time wherever he travelled over a radius of 50 miles he had his own private plane. It ran on about 5 gallons of gasoline on a trip of 120 miles. His plane weighed 1305 lbs."

"As far as Commercial aviation is concerned, they have at present two lines running from coast to coast. These planes carry anywhere from 11000 lbs. to 23000 lbs., they run on perfect schedule as far as possible, and very rarely miss."

(Continued on page 7)

Bell Telephone Replacing Poles

New Type Of Creosoted Pole Takes Place Of Old One On Ten Town Streets.

Two Bell Telephone crews have been busy in Grimsby the past 10 days renewing pole lines on various streets throughout the town. In other words taking out the old poles and replacing them with new ones, which are of the creosoted type.

This work will also be of benefit to the local Hydro system as some of the poles are used for taking off leads of the electric lines.

The streets being renewed are Depot, Elizabeth, Elm, Livingston, Maple, Mountain, Murray, North and South of Livingston; Paton (with the approval of "Red" Graham), Oak and Robinson north.

A crew has also been at work for several days on the Main street underground cable lines. Many of the lines are being renewed and others being repaired.

Extra cable repair men were rushed out of Hamilton early Sunday morning to assist Charlie Norman in making repairs to the long distance cables west of Grimsby Beach, that had been struck by lightning during the Sunday morning thunder storm. All lines were clear and in operation by the middle of the afternoon.

GRIMSBY COMPANY EXPANDS

WILL FINISH NEW WATER MAIN IN THREE WEEKS FROM START

Township Council Change Weight Of Pipe To Be Used From 250 Lb. to 150 Lb. — Pipe Will Last A Life Time.

3/4 INCH CONNECTIONS

Road Committee Will Not Resurface Ridge Road West—New Tile Drain On Park Road — Auditors Report Receiver

Under ordinary weather conditions the new water main extension in the west end of the township, along No. 8 Highway, will be completed within a period of three weeks, once the work gets underway. This was the assurance given to Township Council on Saturday afternoon last, by Mr. Sharp of the firm of Carroll-Sharp who have the contract for the work. This firm built the present West End system.

In the original specifications Class 250 lb. pipe was to be used. This has been changed to Class 150 lb. at a saving of \$510. It was decided to use three-quarter inch connections and five-eighths inch meters, at an increased cost of \$220. Total saving on the two changes, \$290.

A request of residents for the resurfacing of the Ridge Road west from the top of the mountain to the Pendergast farm was turned

Canadian Package Sales Co. Is Now The Largest Selling And Distributing Organization Of Fruit Packages In Canada.

TAKE NEW OFFICES

Member Companies are Manufacturing 300,000 Climax Baskets A Week — Will Use Six To Seven Million Bottoms A Year.

Expansion plans which have been under way for some months have now been completed whereby the Canadian Package Sales Co. of Grimsby, becomes the largest sales and distributing firm of wood fruit and vegetable containers in Canada.

As a result of this expansion new and larger offices were required and last week the firm moved into the offices in the Manston building, vacated 18 months ago by the Department of Highways. The new offices provide for a large airy general office, manager's private office, comptroller's private office and a board room for directors' meetings. The rooms have been newly decorated and are lighted with the new Fluorescent system of lighting which make them as bright as day every hour of the twenty-four.

This firm has been in business for 10 years handling the manufactured products of A. Hevson and Son, Merritt Bros., H. H. Farrell and Sons, Grimsby; Beamsville Basket and Veneer Co., Beamsville; Canada Wood Products Co.,

Former Resident Is Recognized Author

Mrs. Frank Selby Contributes Article to "The American Home" — Born At Winona.

The following item from "The Baldy Citizen", Baldwin, N.Y. will be of much interest to residents of this district.

"The American Home" in its May issue carried the writing of a local author who has gained wide recognition for her work."

"Garden Stakes From The Wild" is the title of a novel article on garden poles by Gertrude Selby, wife of James Selby, 4 Winona Road. She is also featured in the contributor's column of the magazine. Mrs. Selby's articles have appeared in the "American Home" during the past two years, dealing with some of her experiences in out-of-the-way vacation spots."

Mrs. Selby was the former Gertrude Pettit of Winona and Grimsby, daughter of the late Murray Pettit, for many years one of the district's most prominent fruit growers. She is a sister of Mrs. Loud, No. 8 Highway east and Mrs. Harriet Biggar, Effingham. Mr. Selby is a brother of Mrs. Frank Woolverton, Mountain street.

FACTS & FANCIES

Frank Fairborn, Jr.

ADVENTURE IN UTOPIA

(By Bruce Hutchison, in Winnipeg Free Press)

The year was 1960, the spring morning sunny and Mr. John Jones was feeling good. As he walked briskly towards the CCF government bank, his mind was busy with the details of his great invention which, he was confident, would revolutionize the shirt industry of Canada and bring a blessed relief to the whole male population.

Mr. Jones' idea was simple but tremendous. He proposed to manufacture a shirt which would be sold to the customer without any pins in it. As every male Canadian had been in revolt for half a century against the Capitalist nuisance of ten pins, which were cunningly hidden in every fold of a new shirt, and had to be extracted, like a Chinese puzzle, just when a man was in a hurry to dress, Mr. Jones felt sure that his invention would receive the support of the CCF banking system.

All Mr. Jones wanted was a small loan to finance a pinless shirt factory. But the bank manager pointed out that Mr. Jones must first get the approval of the government shirt controller. This took two months, and 15 letters and two long-distance calls to Ottawa.

Three months were required to secure the authorization of the button controller, because he insisted on Mr. Jones adding two extra buttons to his shirt design to enable the government's button cartel to sell more buttons.

There was also a month's argument with the technicians who controlled the length of shirt tails, for at this time, due to a change in the CCF party line, tails were fluctuating from way to day as the issue was debated in Parliament.

But in the end, after two years of negotiation, Mr. Jones had the approval of the government controllers except in one vital particular. He had been pinned down by the government pin controller.

The pin controller—a powerful figure who had been appointed because of expert knowledge gained in the growing of apples in the Okanagan and because he had been defeated for Parliament by a man who had once been a capitalist—took a dark view of Mr. Jones' invention. Therefore, just as it was about to make a loan to Mr. Jones, the bank was instructed by telegram from Ottawa to hold up the whole project while the pin controller looked into it.

The pin controller could not look into it for five months because he was then fully engaged in his historic struggle with the government's safety pin trust to enforce the three-pin plan for diapers, which Premier Coldwell had found very damaging to the housewives' vote.

Finally defeated on the three-pin plan, the pin controller was further shocked to hear that Mr. Jones intended to eliminate pins from shirts altogether. In a memorandum to the Central Planning Bureau, accompanied by 17 blueprints and a marked copy of "Make This Your Canada" the pin controller reported that if Mr. Jones started the fashion of the pinless shirt the government's socialized pin industry would be ruined.

In a long, secret interview with the Planning Committee of the Cabinet the pin controller showed that such a dangerous invention was bound to spread, because it would be popular and the customers would demand it. Presently there would be no market for the government's output of pins,

workers would be thrown out of their jobs, factories closed and, incidentally, there would be no more need for a pin controller and his thousand assistants.

While some members of the Planning Committee of the Cabinet, being shirt wearers themselves, had some secret sympathy with Mr. Jones' project, they patriotically disregarded their own convenience for the sake of the Great Central Plan, and supported the pin controller's argument.

As Minister of Propaganda Lewis pointed out, if the government once admitted that the customer, not the government, could decide what kind of goods he should buy, the Great Plan would be fatally undermined. With this Premier Coldwell agreed but instructed Mr. Lewis to issue an announcement reiterating that the CCF government wanted to encourage sound private enterprise.

The bank manager telephoned Mr. Jones to communicate the government's instructions that no loan could be issued to eliminate pins from shirts, but Mr. Jones had disappeared. He was an old man by now and had been confined to the government's comfortable institution for the violently insane. Here he was kindly treated and, apart from his habit of sticking pins into the guards when they weren't looking, appeared to be a quiet and happy inmate. As for the public, it didn't care about the decision to keep pins in shirts because it had lost its shirt long ago. And, as Minister of Agriculture-Noseworthy said in a notable speech, the country had been rescued from a capitalists' plot and was now safe for the stuffed shirts.

WEEKLIES ARE READ

The British may have made another air raid, the Germans may have sunk another ship. Public Enemy No. 1 may have been arrested, but what the readers of the rural weeklies are really excited about is the news of the people of that community.

Of more interest to them is the news that Mrs. Thompson has had a heart attack, just three days before her daughter's wedding day. Will the wedding have to be called off. Her sister may come and help but she is running the church supper tomorrow night.

That type of news—news that chronicles the events in the lives of the people the readers know, always has been the news of most vital importance to everyone whether it is told over the back fence, over the telephone or in the newspaper. And 70 per cent. of the news in the average weekly newspaper is news of this type of local interest. Every headline, if not every line of the weekly is exciting news of the people who subscribe to the paper.

Because of the vital interest of the personal news in weekly papers no other source is considered as competitive. People will listen to the radio, read their favorite magazines and the national news in daily papers—but none of these will interfere with the thorough reading of the events going on in their own home town. And that is why weekly papers are considered the best advertising media.

HOW TO BE PERFECTLY MISERABLE

- 1.—Think about yourself.
- 2.—Talk about yourself.
- 3.—Use "I" as often as possible.
- 4.—Mirror yourself continually in the opinion of others.
- 5.—Listen greedily to what people say about you.
- 6.—Expect to be appreciated.
- 7.—Be suspicious.
- 8.—Be jealous and envious.
- 9.—Be sensitive of slights.
- 10.—Never forgive a criticism.
- 11.—Trust nobody but yourself.
- 12.—Insist on consideration and respect.
- 13.—Demand agreement with your own views on everything.
- 14.—Sulk if people are not grateful to you for favors shown them.
- 15.—Never forget a service you may have rendered.
- 16.—Be on the look-out for a good time for yourself.
- 17.—Shirk your duties if you can.
- 18.—Do as little as possible for others.
- 19.—Love yourself supremely.
- 20.—Be selfish.

This recipe is guaranteed to be infallible.

MARY HAD A LITTLE LAMB

An exceedingly charming and bewitching young parsimonious creature, delighting in the rare and euphonic appellation of "Mary," was possessed of a genus lambkin, whose capillary appendages were as white as congealed moisture (F'Heaven's sake). It followed her to an institution one day, a proceeding diametrically in opposition to the rules and regulations of the aforesaid establishment, for it excited the youthful generation to loud and boisterous cachinations and frolicsome infantile gambols. The Pedagogue thereof immediately excluded the aforesaid lambkin, but still he lingered beside those

hallowed precincts until his visual organs were once more gladdened by the sight of his adored companion. Then, by the aid of his pedestrian appendages, he propelled himself straight forward, and laid his phrenological developments (My Gawd!) upon the elongation of her shoulder, and reiterated: "I am once more in the arbour of safety and can now bid defiance to the aforesaid pedagogue, and would gently advise and admonish him to descend to those subterranean regions whose torrid climate, from the fact of its being impregnated with immense quantities of chloride, is supposed to superinduce extreme perspiration."

SHOPPING NOTE

It is comforting to know that the R.C. M.P. are right on the job, but occasionally they may be too zealous. Take the recent case in a Western city. A Mountie entered a drug store and asked, "That soldier who was in here—was he after dope?" The druggist shook his head.

"Well," said the Mountie, "he's been in half a dozen drug stores along the street. He acts suspicious. That haggard anxious look is a sign of wanting dope."

The druggist laughed. "Sure the soldier is haggard and anxious," he said: "The poor fellow is afraid he'll lose his girl if he can't sometime turn up with a box of chocolates, but no store along the street has any. This chocolate shortage is making things tough for young fellows engaged in wooing."

Farmers in the West are badly in need of help, while the treasury maintains 60,000 Zombies doing fatigue duties.

DEFINITION

This comes indirectly from an administrator of one of the many departments of the Wartime Prices and Trade Board, but is perhaps not to be regarded as official. Asked at a meeting of his trade group to define his functions, he summarized them in the following sentence:

"An Administrator is one who develops ordered chaos out of utter confusion."

NEIGHBOURHOOD PRIDE

It is a fine thing for people to live in a neighbourhood where the homes are kept in excellent condition, and where people show their pride in their dwellings by keeping them well repaired and attractive. Property is worth more as the result of such care, and if it costs a little more to so keep up real estate, the owners are rewarded by their own satisfaction and the ability to sell or rent their homes for higher prices.

It costs some money for repairs and improvements, to keep a home in first class condition. It is equally important to give time and effort to work about the home place, or to have such work done if necessary. That means cleaning up all disorder that disfigures home grounds, and as soon as spring opens it means the care necessary to beautify the place with a nicely tended lawn, and flowers if possible.

When people spend time or money over these labors, they encourage their neighbours to do the same thing, and a neighbourhood is developed in which the people feel a just pride.

Prayer of the peachgrowers: O for sunshine, and lots of it.

BEHIND YOUR TELEPHONE...

INVESTORS' MONEY

BUILDS TELEPHONE PLANT

In peace times telephone service must be quickly available for all who apply for it. Money must be found to provide new telephone plant—instruments, wire, cable, conduit, switchboards.

For providing this money, investors in Bell Telephone stock—the shareholders—receive a reasonable return.

Conservative capitalization, careful management and efficient operation have all worked to the public's benefit, as is shown by the fact that here in Canada more telephone calls per capita are made than anywhere else in the world. Good service at reasonable rates has promoted rapid growth. Users get ever-growing value for what they pay in the always-increasing scope of their service.

Obituary

MRS. KENNETH BRATTON

Mrs. Kenneth Bratton passed away suddenly at her home last Friday evening in her 30th year. She was born in Alberta and had resided here for the last six years. A member of Trinity United Church, she belonged to the Trinity Service Club and the Mothers' Club.

Surviving, besides her husband, are two daughters, Ann and Shirley; also her parents, Mr. and Mrs. Harry Sprowl, Moose Wallow, Alta.; three sisters, Mrs. Victor Morrison, in British Columbia, Marjorie and Phyllis, in Alberta; and five brothers, Ernest, James and Archibald, all in Canadian Army overseas; Richard, in Manitoba, and Alvin, in Alberta.

Funeral services were held from Stonehouse funeral home on Monday afternoon to Queen's Lawn Cemetery, Rev. W. J. Watt officiating.

Casket bearers were Hamilton Fox, Earl Cornwell, Jr., Harvey Lambert, Harry Wilson, George Gregory and Russell Terry.

FREDERICK JONES

The sudden passing of Frederick Jones, occurred Friday evening at his home, Barton street, Fruitland. He was born in Glen Orchard, Ontario, and had lived in Fruitland for 25 years. For that length of time he was a member of West Lincoln branch of the Canadian Legion, and recently transferred to the Winona branch. He enlisted during the First Great War with the 122nd Battalion and later transferred to the Forestry Corps, with which he saw two years' service in France. He was a member of Fruitland United Church and is survived by his wife, Elizabeth White Jones; one daughter, Mrs. William Davy, Hamilton; a son, F.O. Clarence Jones, with the R.C.A.F. overseas; his mother, Mrs. J. H. Jones, and a sister, Mrs. Bruce Powley, both of Glen Orchard; four brothers, Bert and Clarence, Toronto; Arthur, Kenora, and Hugh, Washington, D.C.

MRS. MARY JANE GARR

A resident of Grimsby for practically all her life, the death occurred on Sunday last of Mary Jane, relict of George Henry Garr, in her 86th year.

Mrs. Garr was born in the township of Clinton, a daughter of Mary Jane and Martin Tufford. After her marriage she came to Grimsby to reside. For many years she and her husband resided on the old St. Andrew's Church farm, what is now St. Andrew's avenue, Kidd avenue, Bolton street and the property owned by the Canadian Canners, also all the property north of the C.N.R. to the lake. After leaving this farm they resided in North Grimsby, where Col. W. W. Johnson now resides. After the death of Mr. Garr she lived in Grimsby for many years, only a few years ago going to live with her daughters, Mrs. F. Duck and Mrs. Lloyd Jacobs of Grassies, at whose home she died.

She was a member of Grimsby Baptist church and the Alexina Rebekah Lodge, under whose auspices her funeral services were conducted.

Surviving are three daughters and one son, Mrs. George House of St. Catharines; Mrs. Fred Duck and Mrs. Lloyd Jacobs, Grassies; Harry Garr of Hamilton, a veteran

Casket bearers were Delos, Albert, Irvin and Melvin Hurst, Wm. Smith and Charles Long.

In Memoriam

BOLTON—In fond memory of my dear husband, George Edward Bolton, who passed peacefully to his eternal home May 20, 1942. On the bank, beyond the river, We shall meet, no more to sever, In the bright, the bright forever, In the summerland of song.

Bertha H. Bolton.

Eastern Star

The Bridge, Euchre and Cribbage party held on Tuesday May 16th by Grimsby Chapter No. 195 O.E.S., was well attended, with twenty tables in play. In Euchre, the high score was won by Mrs. W. Robertson, consolation by Mrs. Rose Atkinson. In Cribbage, Mrs. Jas. Dunham, high, Mrs. Vernon Tuck low. The Bridge prize was won by Mrs. Paul Fester of Beamsville, low score went to Mrs. Robt. Snell of Grimsby Beach. Door prize won by Mrs. Rose Atkinson.

Refreshments were served by Mrs. Geo. Doucette and her committee.

Proceeds were most gratifying, and will be turned over to the West Lincoln Memorial Hospital.

Grimsby Red Cross

Wool conveners are kindly asked to hand in all left over wool balls as they must be used up on our next quota. Wool is very scarce.

A special program of music will be rendered in Trinity United church, on Sunday evening next, after the regular service by the Trinity Choir and assisting artists. Collection in aid of the Red Cross.

Below is quoted from a letter received by Ralph Boehm, Campaign Chairman, Grimsby Branch, Canadian Red Cross Society, and will be appreciated by the many citizens to whom it refers.

"I was delighted to see, in going over the results, that you have exceeded your quota by a substantial amount. This testifies to the thoroughness of the organization, and the enthusiasm of the workers who assisted you, and I am sure that both you and I will derive a great deal of satisfaction from the knowledge that your efforts produced such excellent results."

Will you please convey to all who were associated with you in the conduct of the Grimsby campaign, my thanks and congratulations."

Yours very truly,
Ian R. Dowie,
Campaign Chairman,
Ontario Division,
Canadian Red Cross Society.

Local Properties Attract Buyers

Miss Winifred Congdon, realtor, reports the following attractive properties having been sold:

Two and half acres, home with city conveniences, and landscaped garden. Very choice orchard, near lake. Vendor A. J. Morton. Purchaser A. M. Byles from Montreal. Gentleman's residence with acreage. Grimsby west. Vendor P. R. Langman. Purchaser Major F. M. Thomas of Ottawa.

Two acres, with bungalow. Grimsby. Vendor A. Shubat. Purchaser M. A. Schilling from Chesley.

Four acres on lake, with fine beach. Grimsby east, sold to a local buyer.

Municipal Reeves Want More Gas

The strong request made by Lincoln County Council for gasoline ration coupons to cover the extra wartime business done by reeves of municipalities on behalf of the federal government has been endorsed by a number of other county councils. At the opening of the May session of the Lincoln council Tuesday morning letters were read from the counties of Perth, Wentworth, Halton, Lanark, Welland, Waterloo, Wellington and Norfolk all supporting Lincoln's stand.

A resolution from Lanark county was presented for support. It asked the provincial department of welfare to increase grants to children's Aid societies to 50 per cent of their costs.

The city of St. Catharines wrote offering to buy the county's share of the property formerly used as a children's shelter. The city offered \$4,190.40, which was \$2.38 per cent of the total valuation of \$8,000.

A deputation from the Lincoln County Music Festival association, consisting of President Eric Dowling and Mrs. Charles Blundell, asked the council for a grant to aid in providing prizes for their annual festival which is now in progress at First United Church. The request was referred to the education committee.

Reeve Walter Sheppard, of Niagara Township, was welcomed back to the council chamber after absence enforced by a long illness.

Navy League News

Shipments during April:

11 cartons magazines.
May 10th: 7 scarves, 14 pair socks, 1 turtle neck sweater, 3 sleeveless sweaters, 3 pair gloves, 2 tuck-ins, 12 caps and 12 sea boot stockings. Total 54.

Ontario Division, headquarters, Toronto, delivered to the mercantile Marine during 1943 the following: 1,695,660 magazines; 32,860 books, 50,306 ditty bags; and 74,983 woollen comforts.

Information Re Sea Cadet Corps

Sea Cadet Corps sponsored by The Navy League of Canada are formed at the instigation of interested citizens of the town or city in which a Corps is to be located.

Boys from 14½ to 17 years of age are eligible and a Corps should commence with an enrolment of at least seventy-five Cadets.

The Officers necessary are a Commanding Officer, a Second in Command, two Sub. Lieutenants, Midshipmen or Warrant Officers, and in addition, a Lieutenant or Sub. Lieutenant for each 25 Cadets in the Corps, one Protestant Chaplain and, if there are any Roman Catholics in the Corps, one Roman Catholic Chaplain, one Surgeon-Lieutenant, and one Paymaster-Lieutenant. All Officers give their time and experience gratuitously and are proud to be associated with what is considered the finest system of youth training in Canada.

The Navy League of Canada takes great pride in the fact that among the first men on active service in this war to be decorated by our King for bravery beyond the call of duty were four Sea Cadet graduates from Ontario.

Notice to Creditors

IN THE ESTATE OF JEAN EWART HOWORTH, Deceased.

All persons having claims against the estate of Jean Ewart Howorth, late of the Township of North Grimsby, in the County of Lincoln, Widow, deceased, who died on or about the sixth day of March, A.D. 1944, are hereby notified to file full particulars of their claims with the undersigned Solicitor for the Administrator with the Will Annexed on or before the thirty-first day of May next, 1944, after which date the assets of the estate will be distributed, having regard only to the claims which the Administrator with the Will Annexed shall then have filed.

Dated at Grimsby, Ontario, this twenty-ninth day of April, A.D. 1944.

HAROLD B. MATCHETT,

Solicitor for the Administrator with the Will Annexed.

CORPORATION OF Township of North Grimsby

CONSTRUCTION BY-LAW NUMBER 528

A By-law to authorize the construction of a six-inch water main upon Highway No. 8 extending from the Westerly limits of that part of Lot No. 18, concession No. 2 in the said Township of North Grimsby, owned by one William Mitchell, to the Westerly limit of Lot No. 23, owned by one Thomas W. Allan, which is a LOCAL IMPROVEMENT under the provisions of the Local Improvement Act.

WHEREAS, A. Mileski and others having petitioned the Council to construct a local improvement the work hereinafter described in paragraph number one hereof, and the clerk having certified that the petition is sufficient and it is expedient to grant the prayer of the petitioners in the manner hereinafter provided;

AND WHEREAS: the plans, profiles and specifications of the said proposed work have been duly submitted to and approved by The Provincial Board of Health;

NOW THEREFORE the Municipal Council of the Township of North Grimsby enacts as follows:

1. That a six inch water main be constructed on Highway No. 8 from the westerly limit of that part of Lot No. 18, Concession No. 2 owned by one William Mitchell to the westerly side of Lot No. 23, Concession No. 2 owned by one Thomas W. Allan as a local improvement under the provisions of the Local Improvement Act.

2. That the Engineer of the said Corporation do forthwith make such plans, profiles and specifications as may be necessary for the making of a contract for the execution of the work.

3. That the work shall be carried on and executed under the superintendence and according to the directions and orders of the said Engineer.

4. The Reeve and Clerk are authorized to cause a contract for the construction of the work to be made and entered into by some person or persons, firm or corporation, subject to the approval of the Council to be declared by resolution.

5. That the Treasurer may (subject to the approval of the Council) agree with any Bank or person for temporary advance of money to meet the cost of the work pending the completion of it.

6. That the special assessment shall be paid by fifteen annual instalments.

7. That the Debentures to be issued for the loan to be effected to pay for the cost of the work when completed shall bear interest at not more than 4 per cent per annum and be made payable within fifteen years on the instalment plan.

8. That any person whose lot is specially assessed may commute for a payment in cash the special rates imposed thereon, by paying the portion of the cost of construction assessed upon such lot, without the interest, forthwith after the Special Assessment Roll has been certified by the clerk, and at any time thereafter by the payment of such sum as when invested at four per cent per annum will provide an annuity sufficient to pay the special rates for the unexpired portion of the term as they fall due.

Enacted and passed the Thirtieth day of May 1944.

Clerk. Reeve.

SPORTOLOGY

By Bones Livingston, Sportologist

Peach Queen's Bowling league got into the home stretch on Friday night. Biggest upset of the whole season occurred on Friday night when John Hale team lapped Corinne Robertson and great final playdowns. Hales win out by 64 points. Over on the other alley Helen Elmer and her Vimy outfit trimmed up Madeline Lambert and but took the next two handily. This brings the Vimy and John Hale teams together on Friday night in the finals for the Meel Craft Trophy. Both teams are red hot right now and most anything is liable to happen, even to Little Whizzer inviting this scribe out to have a scuffle of sufs.

In the consolation series for the Niagara Packers trophy the Veterans team continue to confound the critics. Last Friday night they stuck doggedly to their task and came up winners over Elbertas. They win the first and second games by good margins but lost the middle frame by 34 points. At the same time the St. Johns were licking the Admiral Dewey team, winning the first and third and dropping the showdown on Friday night. Then the lights go out for the season for the Peach Queen's excepting the big banquet at the Villa Inn on Monday night, May 29th. We'll tell you all about that later.

Here is the answer to the baseball question propounded last week by Big Rushton's Man Friday, better known as Mike Sweet. The question was "Can a man throw a ball have it come to a dead stop and then return back to his hands without anybody touching it." Sure he can. He throws it in the air. It comes to a stop and drops back into his hands. Simple.

A MASS MEETING WILL BE HELD IN

Victoria Hall, Vineland

(on the Queen Elizabeth Highway)

TUESDAY EVENING, MAY 23

— 1944, at 8:15 p.m. —

Professor A. B. Macdonald is making a tour of Ontario addressing a series of meetings on national co-operative organization. This is our opportunity to hear an outstanding authority on this subject.

Professor Macdonald is Assistant Director of the extension Department at Saint Francis Xavier University, Antigonish, Nova Scotia, and has been very active in the organization of co-operatives and credit unions.

All Rural people and especially Rural Women are cordially invited to attend this big county gathering.

Held under the auspices of the Lincoln County Federation of Agriculture.

GEORGE WILEY, President.

E. F. NEFF, Secretary.

Reading.

Mounting of the Guard.
Service of Remembrance.
Lowering of the Flag.
The National Anthem.

WILL FINISH NEW

down by the road committee, al-
though they stated that they may
do some necessary drainage work
on this stretch of road and then re-
surface it next year.

Reeve Durham advanced the
suggestion that the water users on
the new stretch of main to be laid
should be charged for a portion of
the cost of installation of the water
meter now in use at the town
limits at Kerman avenue. This job
originally cost \$600. The sugges-
tion was frowned upon by council.

Water consumed in the West
End in April amounted to 154,000
gallons; East End 398,000 gallons.
County Engineer Weir notified
council that the county portion of
the Hawes Drain had been cleaned
out and asked the obstruction east
and west be cleared up.

Women's Institute was granted
\$50 for their Jam for Britain Fund.
Auditor's report for 1943 was
received and adopted.

Miss Florence Brown of Ottawa
was granted a permit for the erec-
tion of a new home on Park Road
at a cost of \$5,400. Shafer Bros.
have the contract.

An eight inch tile drain will be
laid on Park Road from Wm.
Coon's residence to the C.N.R.
tracks.

Andrew Robiniski was granted a
permit for the erection of an im-
plement shed on his property at
the corner of Kerman and Queen
Elizabeth Way.

A bylaw was passed authorizing
the construction of the new West
End water main extension.

Sidney Bonham complained re a
township water course doing dam-
age to his property. Road Supt.
Mackie will look into the matter.

Tax Collector Jas. G. MacIntosh
reported that on Feb. 29, tax ar-
rears amounted to \$16,360.22, pen-
alties added amounted to \$32.45.
Collections in March and April
totalled \$3,183.11. Total arrears at
end of April were \$13,209.61. Total
arrears same date 1943, were \$17,
120.19.

GRIMSBY COMPANY

St. Thomas; Mount Forest Basket
Co., Mount Forest; Parry Sound
Basket Co., Stony Creek, and a
factory that they operated them-
selves at Niagara-on-the-Lake.
They confined their sales and dis-
tribution activities to the terri-
tory between Burlington, Ont., and
the Niagara River, between Lakes
Ontario and Erie.

Under the expansion plan they
branch out and cover the whole
province of Ontario. Hitherto
member companies did their own
selling and distributing of their
product at other points in the
province. The result of this was
that three and four different sales
staffs and warehouses were being
maintained at several points.

Under the new plan Canadian
Package Sales Co. will do all the
selling and distributing of pro-
ducts at all points and will main-
tain one sales staff and one ware-
house at points such as Kingsville,
Leamington, Cooksville, Clarkson,
Niagara, Fruitland, etc. Raw
materials for the manufacturer
will also be handled by the Sales
Co. they working in close connec-
tion with War-time Prices and
Trade Board, this will apply parti-
cularly in basket bottoms.

At the present time the member
companies are manufacturing 300,
000 climax baskets a week main-
ly six and eleven quart. A climax
basket being any size basket from
two quart to 20 quart, exclusive of

berry boxes, crates, etc.

In order to assure its member
companies of a steady supply of
bottoms and shooks for crates the
Sales Co. has interested itself finan-
cially in a large plant at Rouyn,
Que. which produce this type of
product, and it is expected that be-
tween six and seven million basket
bottoms a year will come from this
source, which will relieve the bot-
tom situation very materially.

Manager Charles A. Farrell of
the Package Sales Co. expresses
the opinion that better distribution
to the growers in all points of the
province will accrue from this new
set-up and also believes that the
manufacturer will be able to pro-
duce to greater advantage than
has been possible before.

FRUIT BY AIR

any trips. Freight shipped in New
York at night, is in California in
the morning, or vice-versa, and the
price is very moderate.

"He agreed with us, that
perishable lines such as our
Grimsby fruit, are in a cate-
gory by themselves, and cer-
tainly this would be the oppor-
tune time to get our govern-
ment interested in the air
transportation of fruit.
"I also might state here,

th Mayor Ingles of Niagara
Falls, one of the Committee,
brought this business of fruit
by air up, at the convention,
and it was certainly acclamed
with high approval."

"We also talked to Mr. Pat-
terson, who is President of
this organization, and told him
our ideas on the fruit by air,
and asked him if he could
give us any pointers on the
Canadian government's pro-
gramme by air transportation
of freight on a large scale."

"He was certainly taken up
with the fruit question, and
we were going to discuss it
further, later on in the after-
noon, but speakers took up too
much time."

"Mr. Patterson, I believe, has his
own personal plane, and was good
enough to say when the time
comes he would be glad to look over
part of the country over, both by
air, and on the ground, and give us
his advice."

"Also, I might state here, that
Mayor Ingles is going to take this
matter up at the Mayor Con-
vention in Montreal in June, and he
stated they might send a delegate
to Ottawa to get in a motion."

"We were told at the conference
by Mr. Patterson, that the earliest
we could look for private, and com-
mercial flying on a large scale,
would be a year after the war ended,
as the government has not any
idea of any kind of a programme
set out."

"We can join this Institute for a
fee of \$10.00 and no doubt their
advice to us will be worth many

times that amount, as they will, I
understand, give us by mail in-
formation every month.
Council has taken a Membership
in the Institute.

HOSPITAL PLANS

stairs for nurses' and doctors' quar-
ters and dining room and quarters
for the help.

A boiler room will be construct-
ed on the side of the bank of the
ravine on the west of the building
and thus do away with any excava-
ting or foundation work. The
building and all apparatus will be
heated and operated by steam. A
portion of the present large ver-
anda on the north side of the
building will be removed.

The Department of Health are
so well pleased with the plans for
this building that they are having
an enlarged set made to be framed
and hung in the Department of-
fices. These plans will be used as
a model set of plans for a small
town hospital. With the estab-
lishment of Health Insurance it is
a known fact that present hospital-
ization will be greatly inadequate
and the people of this district have
been very wise in taking the oppor-
tunity offer to look after their
own needs.

Many maternity cases, minor
surgery, and convalescent cases
hesitate to go to our large city
hospitals, but they welcome the op-
portunity of receiving Hospital
benefits in a small home institu-
tion. This need, together with
that of a fitting living token for
our War Heroes, was the concep-
tion of West Lincoln Memorial

Hospital; a small complete insti-
tution to serve our needs at home.

The West Lincoln Memorial
Hospital has been incorporated un-
der the Companies Act of the
Province of Ontario as a General
Public Hospital, with full author-
ity to do all things as necessary in
the operation of a General Hospital
in the Province of Ontario.

The financing of this enterprise
has been made possible by a group
of public-spirited citizens and busi-
ness firms doing business in this
district. Sufficient funds have been
donated to assure the development
of the project.

Several types of membership are
offered to the public:

- 1.—Ordinary Membership—An-
nual, \$2.00.
- 2.—Club or Organization Mem-
berships—Annual, \$50.00.
- 3.—Foundation Life Membership,
\$200.00.

These members are the owners
of the Hospital and elect their
directors annually.

FOR SALE

High Class Katahdin Potato
Seed. Also quantity of small
Cobblers cheap. All from certi-
fied stock.

...IN ONE
EASY LESSON

In wartime, more
people are working

and there is more
money to spend

but half of what is
made is for war

so consumers can't
get all they want

and people will bid
more for what is
available

so prices go
up ...

and workers need
higher wages

costs of production
go up

and producers and
dealers need higher
prices

and the vicious
spiral of inflation
has started

but wages and salaries
don't catch up with
living costs

the spiral grows —
and the sky is the
limit

money buys less
and less

hurry and confusion
sweep over factory, farm
and home

To Protect Us All from the Rising Cost of Living
and the Disaster of Inflation

a ceiling is
set on prices

wages and salaries
are controlled to prevent
higher production costs
from pushing up the ceiling

and excess profits
are taxed away

and individual incomes
are taxed more heavily

Victory Loans
are launched

to pay the costs of war

supplies are divided
fairly among producers
and merchants

rationing is introduced
to ensure a fair share
to everyone

at prices within the reach of
everybody

and nobody is permitted
to take advantage of
the war to get more
than his share

while the boys are
out there fighting

(This advertisement is one of a
series being issued by the Govern-
ment of Canada to emphasize the
importance of preventing a further
increase in the cost of living now
and deflation later.)

GOOD OLD GRIMSBY

Canadian Bank of Com.	
Mr. Ice	\$ 99,500
Dave Bell	94,600
Norman Harris	79,100
J. A. Jacklin	71,350
C. J. DeLaplante	62,100
Don Beamer	20,700
Other sources	5,000
Total	\$432,350

Fifth Victory Loan campaign with the same objective produced \$454,250, so the slight decrease in sales this time does not mean a thing.

The record of the two municipalities has been a very high and enviable one in all campaigns. As the figures show, in the six drives to date local citizens have subscribed for \$1,937,350. That is a lot of money in any country.

Loan	Objective	Sold
1st	\$190,000	\$202,350
2nd	200,000	210,000
3rd	250,000	267,350
4th	350,000	369,100
5th	400,000	454,250
6th	400,000	432,350
Total		\$1,937,350

None of these figures show the amounts that Grimsby workmen subscribed for in their places of employment in Hamilton and St. Catharines. Those two cities getting the credit for those amounts.

Employees of local factories came through handsomely on the payroll subscriptions lists. The workers in the 13 establishments set aside for payroll purposes, under the chairmanship of Archie Alton, were asked to subscribe a grand total of \$28,200. They purchased a grand sum of \$33,400 worth of bonds thus beating their objective by \$5,200. The figures and percentages are printed herewith:

	Quota	Sales	Percentage
Metal Craft Co. Ltd.	\$4,900.00	\$5,100.00	104
Grimsby Stove and Furnace	2,450.00	3,150.00	128
Brock Snyder Company	950.00	950.00	100
Merritt Bros.	7,350.00	7,350.00	100
United Distillers Ltd.	1,750.00	1,750.00	100
Ferguson and Son Ltd.	1,850.00	2,000.00	108
Canners 293	900.00	1,750.00	195
Canners 378	900.00	1,900.00	211
Niagara Packers	1,300.00	3,100.00	231
Shaffer Bros.	1,100.00	1,600.00	146
Farrell and Sons	2,350.00	2,400.00	102
Growers Cold Storage	1,100.00	1,500.00	136
Town of Grimsby	1,300.00	1,350.00	104
Total	\$28,200.00	\$33,400.00	

See you next November in the Seventh Victory Loan.

Fluorochemistry, a new term, embraces the theory and use of fluorescence, phosphorescence and radiation; it concerns itself with the emission of light, both visible and invisible.

To-day, as always, the 'Salada' label is your guarantee of a uniform blend of fine quality teas.

'SALADA' TEA

BREVITIES

EVENTS and TOPICS of the WEEK in TABLOID

Navy League Tag Day, June 3rd.

Next Blood Clinic, Wednesday, May 31st.

Time is getting short to buy that ticket on the draw for "Kammy's Kow."

There are still lots of tickets left for sale on the draw for "Kammy's Kow."

Norton Orchestra are playing a special Victoria Day Eve dance at Taylor's Autotel, on Tuesday night next.

Clarence "Soapy Flakes" Rush-ton, district agent for the Thor Washing Machine Co. received a terrific shock last week. Express Agent Bourne delivered to his place of business a brand new Thor washer. This machine was the first one "Rush" has been able to get a hold of in three years' and four months' time.

Niagara town tax rate has been struck at 48 mills.

Blossom Time Horse Show at Winona, Saturday, May 27th.

Lincoln County Pensions Board received and passed six applications for old age pension at their May meeting last week.

Hydro Commissioner Jim Theal was observed going down Main street on Monday morning with a brand new hoe on his shoulder. The question is, who is going to use it?

While it could not be said at any time that the highway was crowded, traffic through the Niagara peninsula Sunday afternoon was the heaviest seen here in a long time. Blossoms were out in profusion, particularly in the Grimsby area, and visitors were not disappointed.

State Secretary McLarty has announced at Ottawa that a proclamation is being issued fixing Thursday, June 8, for the celebration of the King's birthday in Canada, although war conditions prevent proclamation of a public holiday. King George was born on December 14, 1895, but his birthday is celebrated in June because summer is considered more appropriate.

Next Wednesday is Victoria Day, but it will not be a public holiday in Grimsby.

Cottage hospital, Niagara-on-the-Lake, cared for 391 patients in 1943.

St. Catharines City Assessment Department reports 82 property transfers for the month of April. Of the total 69 were for a consideration of \$189,011 and the remaining 13 were family transactions at \$1 each.

The band will play. The Sea Cadets will put on their precision drill and there will be a lot of other features on Main street on Saturday, June 3rd, in connection with Navy League Tag Day. Watch this paper for full particulars next week.

There is one less sheep-killing dog in North Grimsby township. Aroused by a commotion among his sheep Sunday, Walter Wilcox managed to shoot one of three dogs he found worrying his flock of 21. Mr. Wilcox each year has lost a number of sheep.

Police are still looking for a hit and run motorist whose car, during Thursday night, crashed into a telephone pole on Elm St., breaking it into three pieces. Officers were informed that the vehicle caromed off the pole and continued on its way without stopping.

Births

MOORE—On Tuesday, May 16th, 1944, at Wingham Hospital, to Mr. and Mrs. D. J. Millan Moore (formerly Gaevevo Watt), Whitechurch, Ontario, a daughter, (Muriel Catherine).

A new type of railroad dining car for transporting troops has been completed which accommodates 56 at one sitting, compared with 36 in a standard car.

20,000

TONS OF WASTE PAPER ARE NEEDED EVERY MONTH FOR MAKING ESSENTIAL WAR MATERIAL

● The need is desperate! To help Canada meet the critical shortage, not a scrap of wanted paper, should be burned or thrown away!

WHAT IS WANTED

You can remedy this critical paper shortage by saving every scrap of Waste Paper, namely: wrapping paper—store bags—cardboard—cartons—corrugated board—old magazines and books—envelopes and letters—news-papers. These represent the raw material for making vitally needed Paper containers.

it through your local voluntary Salvage Committee or other War Voluntary Organization, or sell it through any known trade channels, your pedlar, dealers or others. The important thing is to get your Waste Paper moving to the mills.

HOW TO DO IT

Tie securely in separate bundles. (The little time you take will save thousands of man hours.) Then dispose of

Do Your Part! Salvage every Scrap of Paper you can!

As Victoria Day, next Wednesday, is not a public holiday in Grimsby, and as it is the regular weekly half-holiday for the stores, the merchants of the town, by mutual agreement will close their places of business all day. Stores closed from Tuesday evening until Thursday morning.

Reeve Chas. W. Durham of North Grimsby is again confined to his home with illness. He has been sick for about 10 days but had recovered sufficiently to be out and around and presided at Saturday's session of township council. On Tuesday morning he felt ill and did not attend County council, during the day he had an attack and is now confined to bed.

A mass meeting of all farmers will be held in Victoria hall, Vineland, on Tuesday evening next, under the auspices of Lincoln County Federation of Agriculture. Prof. A. B. Macdonald, Assistant Director of the Extension Department at St. Francis Xavier University, Antigonish, N.S. will address the gathering on National Co-operative Organization.

In the Gay 90's and early 1900's bicycle clubs were all the rage. These clubs on a Sunday would ride all over creation. On Sunday, Grimsby was visited by a youthful bicycle club from St. Catharines, out to see the blossoms. Two of the party were riding a tandem wheel, which is something that has not been seen in this district for a good many years.

Births in April totalled 125, the second highest number of births in St. Catharines' history, the vital statistics branch of the city clerk's department announced last week. The record high was established last November when 123 births occurred. Of the 125 new arrivals last month, 74 were born to St. Catharines residents and 51 to residents of the suburban area. Deaths for the month numbered 33, 25 of which were resident deaths. Marriages performed in April amounted to 33, an average of better than one per day.
